The National Wine Education and Training Centre (NWETC) is managed by South Australian Wine Industry Association which for over 65 years has presented classes in wine appreciation.

The NWETC has developed an outstanding reputation for delivering fun classes that educate and inform, while offering the chance to try everything from Australia's finest world famous wines through to rare and exciting new releases.

Come along and see for yourself the experience, knowledge and teaching skills of the country's finest wine educators, and the most advanced, up-to-date and comprehensive range of wine education classes and activities.

Classes are held at the National Wine Centre of Australia (at the intersection of Hackney Road and Botanic Road, Adelaide).

EDUCATE YOUR PALATE

Customised Classes

A special service for clubs and groups – educational, interesting and fun private classes and activities. Sessions will be specially tailored to your members' interests and requirements. Call us with your ideas – or let us put forward our suggestions. Ideal for wine tasting clubs, or any group of friends or work colleagues.

Understanding Wine

One of our most popular courses. Attend two hour sessions once a week for six weeks - or put aside two Saturdays or Sundays back-to-back - and you will emerge with a comprehensive overview of Australian wine and winemaking. This course aims to develop your sensory evaluation skills - your ability to taste, feel, smell and describe the wine you taste. You will sample and analyse more than 40 different wines sourced from all over Australia. Before long, you will have learnt to identify many different wine styles. By tasting, you will become familiar with warm and cool climate wines, blends and varieties, sparkling and fortified wines. You will understand and appreciate the variations that viticulture and winemaking techniques can have on that unique final product.

World Wines

This is a follow on from our popular Understanding Wine course. The emphasis of this course is on palate development. Basic theory is assumed and over 4 weeks you will examine in depth classic wine styles and varieties with standout Australian and international examples. Your knowledge and confidence will grow through a series of tastings each session, with the emphasis on fun and learning.

Wine Courses

July 2011 – June 2012

All sessions will be held at the National Wine Centre in Adelaide
